<b>Authors who submit manuscript to the MERAA journal agree with following:</b>
---

- 1. Authors retain** copyright and grant the journal right of first publication with the work simultaneously licensed under a Creative Commons Attribution 4.0 International License (CC BY 4.0) that allows others to share (copy and redistribute the material in any medium or format) and adapt (remix, transform, and build upon the material for any purpose, even commercially) the work with an acknowledgement of the work's authorship and initial publication in this journal. Author(s) retain the following rights: the copyright and other proprietary rights relating to the article, such as patent rights, the right to use the substance of the article in the future original works, the right to reproduce the article for own purposes, the right to self-archive the article. This license does not waive the author's rights.
- 2. Author warrants that:**
  - has secured the necessary permission from the appropriate copyright owner or authorities for the reproduction of any material in the article,
  - apart from any such third party copyright material included in the article, the article is original work, and does not infringe the intellectual property rights of any other person or entity and cannot be construed as plagiarizing any other published work,
  - the article is not currently under submission to, nor is under consideration by or has been accepted by any other journal or publication, nor has been previously assigned or licensed by author/s to any third party,
  - there is no threat of conflict of interest in connection with the authorship of the article,
  - generative AI and AI-assisted technologies were used in accordance with the guidelines for authors,
  - in the article prepared jointly with other authors has been authorized by all co-authors to sign this agreement as an agent on their behalf, and to agree on their behalf the order of names in the publication of the article.
- 3. Author acknowledges** that the article may be published so that it will be publicly accessible and such access will be free of charge for readers. The Author will be allowed to sublicense the rights that are licensed to it under this agreement.

The Publisher agrees that the License is granted free of charge.

This license is terminated in case the article is rejected for publication or the author withdraws the article for consideration for publication before publication has occurred.
